Location

Strategically situated within the Public Free Zone (Nasr City Free Zone) in Nasr City, Cairo, occupying an elite corporate and trade hub setting with direct access to El Nasr Road, the Ring Road, Cairo–Suez Road, and the Autostrad, positioned just 10 minutes from Cairo International Airport, 10 minutes from New Cairo, and within close proximity to major logistics, import/export, and industrial arteries.

About the Project

The Nasr City Public Free Zone is Egypt’s premier designated special economic and trade zone, established under the General Authority for Investment and Free Zones (GAFI). Engineered to support multinational corporations, export/import enterprises, and specialized commercial operations, the zone provides comprehensive customs clearance facilities, advanced security infrastructure, dedicated heavy-duty utilities, structured on-site parking, and streamlined administrative services designed for global trade.

Concept

Spanning an efficiently laid out 100 m² build-up area delivered turnkey fully furnished to high corporate standards, this ready-to-move administrative office provides export-oriented businesses, logistics providers, offshore consultancies, and trading entities immediate zero-downtime operational capability, substantial tax and duty exemptions associated with free-zone licensing, and a well-connected commercial headquarters in central Cairo.
