Semi-Finished Administrative Office for Sale Installments Business Gate Dominar New Capital 43m² BUA

Type: Administrative Office for Sale

BUA: 43 m²

Finishing: Semi-Finished

Status: Available for Resale / Sale on Installments

Location

Strategically situated within Business Gate by Dominar Developments, located in a prime high-density commercial sector of the New Administrative Capital, enjoying seamless connectivity to the Central Business District (CBD), the Financial District, the Government & Ministries District, and the Southern Bin Zayed Axis, just minutes from the Monorail Central Station and the Green River.

About the Project

Business Gate Mall is a premier mixed-use commercial and administrative complex engineered by Dominar Developments. Designed to international corporate standards, the project features modern architectural glass facades, dedicated business lounges, high-speed passenger elevators, comprehensive underground parking, smart facility automation, fiber-optic infrastructure, and 24/7 dedicated security and facility management.

Concept

Spanning an efficiently planned 43 m² build-up area delivered semi-finished, this compact corporate workspace offers startups, boutique consultancies, and smart investors complete freedom to configure custom interiors and branding, paired with competitive long-term installment terms in the fast-growing business center of the New Capital.
