Location

Strategically situated within Heartwork Business Park inside the flagship iCity New Cairo community developed by Mountain View (DMG), in the 5th Settlement, New Cairo. Positioned directly adjacent to the Middle Ring Road and Ring Road, the business park lies just 7 minutes from Suez Road, 10 minutes from the American University in Cairo (AUC), 15 minutes from the New Administrative Capital, and 20 minutes from Cairo International Airport, ensuring swift accessibility for regional teams and executive clientele.

About the Project

Heartwork is Egypt’s and the Middle East’s first international business park built around the science of happiness and productivity, designed in strategic partnership with "Delivering Happiness" (DH) and CallisonRTKL. Spread across extensive landscaped grounds, the hub features standalone corporate headquarters, tech-enabled open-air plazas, a dedicated DH Hub clubhouse, state-of-the-art shared conference facilities, tranquil Zen gardens, outdoor fitness and jogging tracks, multi-level secured underground parking, high-speed passenger elevators, reliable backup power generators, ultra-fast fiber-optic telecommunications infrastructure, lifestyle dining options, advanced fire suppression systems, and 24/7 smart security and facility management.

Concept

Spanning an expansive 275 m² build-up area delivered core and shell with immediate handover readiness, this corporate office offers enterprises complete architectural autonomy to tailor internal layouts, executive boardrooms, specialized tech infrastructure, and branded corporate aesthetics from scratch. Paired with flexible long-term installment structures, it serves as an optimal headquarters solution for regional holding companies, financial institutions, engineering consultancies, or expanding technology firms seeking prime asset ownership in New Cairo.
