Mountain View iCity sits in a prime hub, positioned just minutes away from the American University in Cairo (AUC) and major regional axes connecting to the New Administrative Capital.

About the Project
Developed by industry leader Mountain View, this landmark residential compound sets a new benchmark for upscale living in Egypt. The project seamlessly integrates modern architecture with vast botanical landscapes, providing residents with comprehensive facilities including top-tier security, commercial hubs, food courts, and international sports clubs.

Concept
The design philosophy centers around a progressive 4D master plan, splitting the development into distinct, innovative car-free parks. This 130 m² unit maximizes internal space efficiency while ensuring absolute privacy and direct access to pedestrian-friendly smart zones and lagoons.
