Location

Strategically situated within Al-Narges 3, one of the most prestigious, tranquil, and fully established residential villa communities in the 5th Settlement, New Cairo. Positioned directly between South 90th Street and Gamal Abdel Nasser Axis, with effortless connectivity to Mohamed Naguib Axis and Talaat Harb Axis. The property lies just 3 minutes from South 90th commercial hubs and Fatima Al-Sharbatly Mosque, 5 minutes from the German University in Cairo (GUC) and the Diplomats District, 8 minutes from the American University in Cairo (AUC), and 20 minutes from Cairo International Airport.

About the Project / Area

Al-Narges is an upscale, low-density residential district characterized by refined standalone villas, low-rise private buildings, wide landscaped streets, and quiet residential ambiance. Phase 3 specifically stands out for its high topographical elevation, prime architectural standards, and close proximity to premier commercial centers, prestigious international schools, and sports clubs. The standalone residential building features a classic modern stone-accented facade, an elegant hotel-style marble lobby, a high-speed passenger elevator, dedicated private parking, intercom, and localized 24/7 neighborhood security.

Concept

Spanning an expansive 180 m² build-up area complemented by a private 50 m² open-air rooftop terrace, this residence combines the functional comfort of an apartment with the open-air entertaining privileges of a penthouse. Delivered fully finished to ultra super lux standards with immediate handover readiness, it eliminates renovation downtime, contractor management, and fit-out expenses. Coupled with the clear pricing advantage of an unencumbered direct cash acquisition in an established prime neighborhood, it represents an outstanding private family sanctuary and an appreciating capital asset in New Cairo.
