About the Project

IL Bosco is an acclaimed 200-acre master-planned eco-smart community developed by Misr Italia Properties. Conceived around the revolutionary "Vertical Forest" concept and vast botanical landscapes, the development features luxury community clubhouses, international schools, sports complexes, state-of-the-art medical centers, a vibrant commercial promenade, interconnected pedestrian paths, and 24/7 smart security and facility management.

Concept

Spanning an expansive 247 m² build-up area set on a 242 m² private plot delivered core and shell, featuring 4 spacious bedrooms, generous multi-level living and reception layouts, and 3 bathrooms wrapped by a private garden perimeter, this ready-to-move twin villa offers families elevated privacy, open botanical community views, and complete architectural freedom to tailor interior fit-outs and finishes to personal taste, paired with strong capital preservation for a cash purchase along the New Capital's Green River corridor.
